The MUNSU 25th Anniversary Scholarship

Valued at \$900, this scholarship is the result of an endowment established by MUNSU and will be awarded to an undergraduate student who has completed at least one year at Memorial University. Eligible applicants should be in clear scholarship standing and demonstrate active participation in student life.

The Dr. Wayne E. Ludlow Scholarship

This scholarship is the result of an endowment made by undergraduate students at Memorial University of Newfoundland to honour Dr. Wayne E. Ludlow on his retirement, in 1999, from the position of Dean of Student Affairs and Services. Valued at \$1000, this scholarship is tenable to students beyond their second year, based on scholarship

standing and demonstrated active participation in student life. Factors to be considered will include but not be limited to involvement in student government, clubs and societies, and student media. Financial need may also be considered.

The Dr. J. Douglas Eaton Scholarships

Upon the retirement of Dr. J. Douglas Eaton from the position of Vice-President (Student Affairs & Services) in 1983, the student body of Memorial University of Newfoundland donated a sum of money to fund two undergraduate scholarships in his honour, valued at \$500 each. These awards, tenable to students beyond first year will be made on the basis of academic standing and demonstrated active participation in student life. In cases of competition between students of equal standing, need shall be the determining factor in awarding the scholarships.
